- the NFS Requirements;
- applicable methodologies, procedures and guidance; and
- the NFS fee schedule,

each as amended from time to time.

2. Authority to Submit

The Lead Project Developer confirms that it:

- has the legal authority and capacity to submit the Project; and
- is authorised to act in relation to the Project for the purposes of submission to the NFS.

3. Disclosure of Project Participants / Partners

The Lead Project Developer has identified above any other project participants, partners or entities materially involved in the Project, to the extent known at the date of this Declaration.

Where applicable, the Lead Project Developer confirms that it is authorised to submit the Project to NFS and to act as the primary point of contact for the Project at this stage.

The Lead Project Developer acknowledges that further confirmation of project roles, authority, rights and responsibilities may be required at later stages of the NFS process.

4. Information Integrity

The Lead Project Developer confirms that, to the best of its knowledge following reasonable inquiry:

- all information submitted in the PIN is true, accurate and not misleading in any material respect; and
- no material information has been omitted that would render the submission misleading.

5. Acknowledgement of NFS Role

The Lead Project Developer acknowledges that:

- the NFS is an independent standard-setting and governance framework;
- submission of a Project does not guarantee progression, validation, registration or issuance; and
- the NFS does not act as legal, financial, technical or investment adviser, consultant or project developer.

6. Commitment to Compliance

The Lead Project Developer agrees to:

- comply with all applicable NFS Requirements and applicable laws;
- cooperate with NFS and any validation or verification processes; and
- follow the applicable NFS project process.

7. Fees

The Lead Project Developer acknowledges that applicable fees are payable in accordance with the NFS fee schedule.

8. Notification of Material Changes

The Lead Project Developer agrees to notify NFS of any material changes affecting the Project in accordance with the NFS Project Participation Terms.

9. Early-Stage Nature of Submission

The Lead Project Developer acknowledges that:

- the PIN submission represents an early-stage description of the Project; and
- further information, documentation and evidence will be required at later stages of the NFS process.

10. No Misleading Claims

The Lead Project Developer agrees not to make any public statement that:

- misrepresents the status of the Project; or
- implies endorsement by NFS beyond the Project's actual status.
